

Plan Big.

Here's to the dreamers, the visionaries, and the planners, like Ruth Rocker McMullin OOL.

With a desire to help recruit and retain a more diverse student population at Emory Law, the Honorable Ruth Rocker McMullin established her version of Sankofa—a way to pay it forward.

Because Ruth is passionate about diversifying the legal field, she made a bequest to support scholarships to alleviate financial concerns and enable students to pursue their passions.

People like Ruth—who envision all the ways they can change the world by making a planned gift to Emory—are the ones who do.
