

¹² (we couldn't pick just 10!) ~~TOP 10~~ REASONS to attend Sherman College

1 Superior Preparation

Our academically rigorous program includes more than 4,700 classroom hours in a sequence of 14 quarters (3.5 years). You'll have the preparation you need to succeed on your licensure exams and begin your chiropractic practice.

2 Free iPad Program

Our exclusive iSherman initiative provides every student with an iPad loaded with the tools you need to succeed – video tutorials, e-books, course syllabi and more – at no additional cost.

3 Caring for Patients

As an intern in our campus clinic, you'll experience what it's like to make an impact on the overall health and quality of life of patients through chiropractic, managing a variety of cases, including patients with complex health issues.

4 Hands-on Learning

Classroom concepts come to life when you apply them in hands-on simulations starting with your first quarter at Sherman. Later in the curriculum, you can join a specialized internship program for supplemental training in patient education, x-ray or peer mentoring, or work with our research department in evidence-informed studies.

5 Value and Affordability

No hidden fees, generous financial aid, lower cost of living and a highly competitive tuition rate make the cost of attending Sherman a very affordable option compared to other chiropractic colleges.

6 Personal Attention

At Sherman, you're more than "just a student." You'll learn from faculty experts who treat you like a colleague, offering mentoring and support that will fuel your academic success.

7 Ideal Location

Perched in the foothills of the beautiful Blue Ridge Mountains, Spartanburg, South Carolina enjoys a mild climate that offers year-round activities for outdoor enthusiasts. A bustling arts and music scene, delicious dining options and a vibrant downtown offer something for everyone to enjoy.

8 Learning Enrichment

We supplement your classroom learning with opportunities to hear in-demand speakers, attend industry seminars and get involved in community outreach.

9 Academic Support

Sherman's Thrive program provides tutoring, mentoring and success coaching focused on supporting your academic success and overall well-being.

10 Chiropractic Mastery

Sherman graduates are known as "great adjusters" because of their stellar abilities in the art of chiropractic they deliver to patients as compassionate, ethical and skillful chiropractors.

11 Readiness for Practice Success

When you enter into practice, you become both a chiropractor and a business owner. Our Graduation Plus 10 (G10) business curriculum prepares you for practice and sets out a game plan for eliminating student loan debt within the first 10 years after graduation.

12 Achieving Your Dreams

At Sherman, we nurture the skills and abilities you need to be a compassionate professional, a positive role model, and to build the life you want.
